

Dear Richard Jones:

The proposal you recently submitted through the InfoEd system was given a temporary submission number to reflect its status as an InfoEd-initiated submission. This message is to inform you that your proposal has been assigned a new, permanent log number as indicated below. You will use this new number if you wish to check the funding status of this proposal at a later date by browsing for it in the InfoEd Proposal Tracking module.

Proposal Title: *UV Laser Refurbishment for Milling Research-Grade Diamonds*

Old Proposal Number: PD10-0036

**NEW Proposal Number: IFP-100035**
